Making Life Easy

SPECTRA VALUE COUNTER CUM SORTER

Tired of using different machines for different needs and processes?

Try the new Forbes Spectra Value Counter Cum Sorter

Forbes SPECTRA is a compact, multi-currency desktop value counter cum sorter optimized for higher productivity, flexibility and ease of use. Designed for long duty cycles and trouble free operations, it not only authenticates the currency but also sorts (face and orientation) with a high processing speed of 1000 notes/minute.

The device is equipped with intelligent sensor technology and image based processing for counterfeit detection. It helps achieve high end accuracy and reliability of a high end currency sorter at an affordable price.

Ideally suited for cash counters/teller at banks, utility shops (jewellers, builders, retailers & petrol pump) and cash in transit applications.

SPECIAL FEATURES:

Intelligent Sensor technology for counterfeit detection

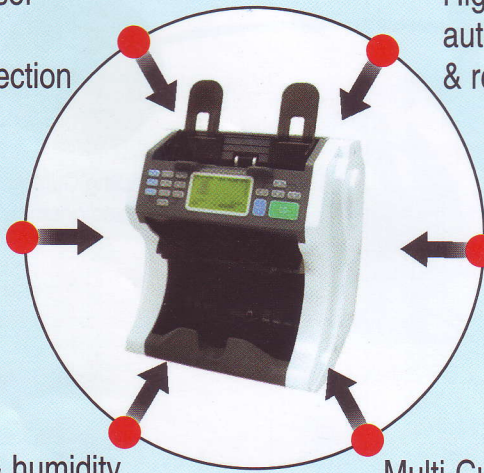

High level of authentication & recognition

Low noise & Low footprint

Simple, fast, user friendly & upgradable

Temperature & humidity Resistant

Multi-Currency

EFFICIENCY:

- High Processing Speed.
- Increased hopper and pocket capacity.
- Quick & easy to un-jam. Reduces down time significantly.

MODELS:

	SPECTRA - V	SPECTRA - F
Material Code	EHC0100002	EHC0100003
Currency Type	INR,USD,EUR	INR,USD,EUR
Quantity count	√	√
Value count	√	√
Denomination sorting	√	√
Face/orientation sorting	√	√
Fitness sorting	-	√

SPECIFICATIONS :

Technology	Image based
Mode	Mix / Single / Count / Face / Orientation / Fitness
Speed	800 / 1000 / 1200 notes/min
Multi-Currency	INR / USD / EURO
No. of pockets	2 (1+1)
Hopper Capacity	500 notes
Pocket Capacity	200 notes
Reject pocket Capacity	100 notes
Display	128 X 64 Graphic Colour LCD

Counterfeit Detection Technology	CIS, UV, IR, MG, US
Interface	SD card, RS232
Power Supply	100 - 240 V AC, 50/60 Hz
Power Consumption	Standby - 6 W /Operation - 90 W
Dimensions	300x280x304 (WxDxH) mm
Weight	10kg
Noise level	<70db
Operating Temperature	45 deg. C
Options	External Printer, display
